The ideal nomination focuses on a story, (i.e., a specific problem or event in the community and how the nominee transformed this issue). We aren't looking for information about how amazing the nominee is as a human (we know they are!). The goal is to inspire action with their specific story.

Tell us about a problem that existed in the community, or what wasn't happening that should have been? *

How did the Nominee improve the situation? Include examples of leadership, courage, innovation, insight, honor and/or morals. *
