**Let's come together
VIRTUALLY
to honor and connect!**

**Now more than ever, we
need to lift up stories of
ethics in action!**

WHY THIS EVENT MATTERS:

The Ethics in Action Honors Luncheon is a signature community event that has been inspiring people throughout Brown County for over a decade. It has two goals:

- raise critical funds to provide mental health counseling to kids in financial need, and
- add value to the community by lifting up and honoring stories of ethics in action throughout our community

Nominations and awards remain a key part of the event. This year, we received 41 nominations for stories of people who create healthy WORKPLACES, SCHOOLS, and NEIGHBORHOODS.

WHO WILL ATTEND?

Traditionally, the in-person Ethics in Action Honors Luncheon hosts over 500 people who strive to create healthy spaces in our community.

This year, the VIRTUAL event is open to everyone, and we expect several hundred people to live stream the event.
