

POSITION: Outpatient Therapist**REPORTS TO:** Director of Counseling**STATUS:** Full time (Monday – Friday)**LOCATION:** Green Bay, WI**JOB SUMMARY**

The therapist provides individual, group mental health therapy services to children and adults in an outpatient setting. This position requires experience and willingness to work with children and youth. In addition, the therapist will:

- Share in staffing and case conferences
- Perform necessary administrative tasks
- Participate in organization community relations efforts
- Collaborate with staff colleagues, consultants, and referring professionals

Equal Opportunity Employer

Note: Due to COVID-19 considerations, therapists are participating in teletherapy. Staff and clients in office are screened and masks are required.

Ideal Candidates will have:

- Experience with a variety of age groups, especially younger children
- Proficiency working in a team-like setting
- Ability to coordinate services with schools and other community professionals
- Willingness to develop skills in integrating clients' faith and/or spiritual perspectives into therapy

LICENSURE

- LCSW, LPC, MFT, or APSW license (preferred)

EDUCATION

- Master's degree (preferred)

VALUES

- Place a high priority on professional conduct and quality
- Be willing to make a professional and personal investment in the future of the organization and its mission
- Promote an atmosphere of fun and friendship
- Acts with integrity towards colleagues, clients, and community members
- Be comfortable and committed to the integration of spirituality and faith in our relationships with our colleagues and clients

Foundations offers an excellent work environment, competitive compensation package, funding for ongoing continuing education and a strong commitment to teamwork and mission. A therapist can expect consistent clinical support from experienced peers and supervisors to improve therapy skills and knowledge. Foundations provides a trauma informed state-of-the-art office environment.

Therapists are encouraged to be involved in community work groups to improve the quality of mental health for all persons in Northeast Wisconsin. Reasonable client load expectations, strong encouragement to be an active change agent in the community, as well as support for a work/life balance is Foundations' commitment to employees.
